

Sottile 750

Sottile, the wall and ceiling light that illuminates the home with style. With a thickness of only 8 mm and a milled aluminium body, Sottile is the perfect solution for those looking for a minimalist design without compromising on the quality of light. The engineered optics ensure efficient lighting performance through indirect and asymmetric light distribution, creating a warm and welcoming atmosphere. With 6 refined colours available, Sottile adds a touch of class to any environment. It is available in two different sizes to suit all space requirements.
